Our mission is to teach entrepreneurs to use software applications to increase efficiency in their businesses while providing global marketing and networking opportunities. To close the economic gap we must become entrepreneurs and we must embrace technology. We teach entrepreneurs how to use technology in business and level the economic playing field. We offer an ongoing series of computer classes (www.ComputerClasses.Black) that every entrepreneur must know to compete in today's world including ChatGPT/AI, podcasting, managing leads and contacts, managing finances, digital marketing, creating stunning graphics and more.
