He gladly took them in. I still have yet to see if the stitch on the belt loop holds up, but the heels look great! I took them in on a Tuesday and he had them done by Friday. The owner is very friendly, but also straightforward, which I respect a lot. I got the impression of if he thinks he can’t do something, he will let you know, instead of trying and messing it up. The prices are reasonable too. I only paid $13.” Jill C. – 5 Stars “I happened to notice this place on a drive through St. Bernard, and it gave me hope for a pair of dress shoes that lost the sole off of the heel. In a disposable world, getting shoes repaired almost seems colonial. I dropped my shoes off on a Tuesday and picked up on Friday. (I was in no hurry, probably could have gotten them sooner if needed) Came in on Friday and for $9.10 my shoes were repaired! Notes: closed on Sunday AND Monday. parking lot in the rear. keep your ticket when you drop things off! He also repairs purses/bags, shines shoes, and has a whole collection of shoes for sale inside if you’re bored and want to browse around. I’m glad I checked this out, and given the need, it’s where I’ll return for repairs!”
