I Hear Music Inc., is a promotions and marketing firm that represents gospel artists and produces special events. The company’s most noted event, the annual I Hear Music in the Air Conference is held every summer in Cincinnati, OH and is designed with specific educational tools that teach business-minded individuals how to market and be successful in the music industry and beyond. This innovative approach to teaching and enhancing individuals serves as the base of the company. I Hear Music Inc., is the brainchild of Gospel Industry Executive Tracey Artis. Over the past twenty years, Artis has developed groundbreaking ideas and concepts to enhance the exposure of the artists she has had the pleasure of working with side by side. These concepts later proved to be the foundation for her company I Hear Music, Inc which she began in 1999.
