Cincinnati Black-owned women’s clothing company helps women set their own trends with one of a kind designs. Clothing is supposed to be a form of self-expression, but when everyone shops at the mall, clothes tend to become variations of the same thing. The owner of Me BY Lee started sewing for herself, friends and family, making sure that each piece was as unique as the person she was creating the item for… this led her Me BY Lee online boutique! Shop Me BY Lee to stand out from the crowd. Small-batch and one-of-a-kind designs for women of all sizes who want to set their OWN trends are created here. Shop it’s Everyday Collection of small batch designs or for the ULTRA Fashionista- shop their Me BY Lee Originals collection of one-of-a-kind designs. This Cincinnati Black-owned business uses rich Ankara (African) prints, cotton, and blends that allow you to rock your own personal runway.
