From Daycares to Dry Cleaners, Staffing Services to Janitorial Services, or whatever your passion, you might find yourself wondering at the end of the year if you could have made better financial decisions. Black-owned consulting company Swain Consulting can help you stay ahead of the game with proven experience with Work Opportunity Tax Credits, Payroll services, Accounting, Financial Consulting, and more. About Stevie Swain During her 30+ years of Management and Operational Management experience, Stevie Swain discovered that her ability to help, fix and repair business issues for people was to be her life’s work. When she noticed that some of her business clients had to close their doors due to owing too much in taxes, she knew she had to do something about it. With her extensive knowledge in Financial Consulting along with her ability to provide the Work Opportunity Tax Credit Program, she established Swain Consulting, LLC to help business leaders understand and make informed financial choices. Furthermore, Stevie works alongside with award-winning April Ferguson, CPA, who specializes in Payroll, Accounting, and Taxes, and Apryl Pope, who specializes in Investment Strategies. These team members give Swain Consulting LLC a wealth of knowledge in overall financial management. Whatever your financial needs may be, Swain Consulting’s leadership team is here to serve.
